*We must rebuild our  
party at the grassroots.*  
**THE TIME IS NOW.**

**We are backing Jon Cruddas:** Amicus, TGWU, Tribune, Compass, Campaign for Labour Party Democracy, Ken Livingstone (Mayor of London), Gemma Tumelty (NUS President), Roy Hattersley (ex-deputy leader), Tony Robinson (actor), Ann Black (Labour Party NEC).

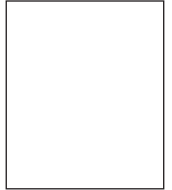

## A Labour deputy leadership candidate with a difference

Jon Cruddas believes:

- **The deputy leadership is a full-time job.** He does not want to be deputy prime minister, nor does he want a Cabinet portfolio.
- **More power should be given to the party's rank and file.** The party needs to be rebuilt from the grassroots.
- **Back the Fourth Option.** Jon is the only candidate who has consistently supported the building of new council housing.
- **Reconcile the party over Iraq.** Jon is the only candidate calling for an Inquiry into why Britain went to war.
- **Return to a campaigning party.** As joint-secretary of the Anti-Fascist Fortnight, Jon led the successful grassroots campaign against the BNP in this year's elections.
